

Alejandro Alonzo

Front End Developer.
Los Angeles, CA, USA.

ABOUT

I'm lawful to work in the US.
(Green Card holder).

I have always been passionate about technology, capable of making useful and attractive proposals. In addition to being very curious, proactive, with initiative and above all creative, I perform both in my work life and in my daily life with a lot of positivism and optimism. I always like to be part of winning teams and that is why I try to give my best.
